Dear Brother,

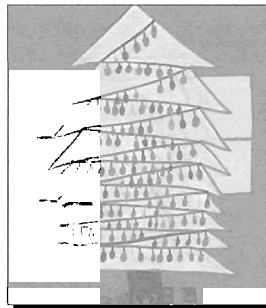

Your Moose Association is partnering with Moose Charities to bring back the Holiday Seals program that was so popular in years past. We are happy to provide you with a sheet of this year's Seals, which have been designed by elementary students at Mooseheart Child City & School. Please use them to dress up your holiday mailings, and to share the joy of the season with your friends!

With these Seals, we're also providing an opportunity for you to make a donation that supports both Mooseheart and the Association. Here's how it works: Simply decide the amount of your donation, write your check (payable to Moose Charities) and return it in the enclosed pre-addressed envelope. Your donation will be allocated 30% to Mooseheart School (this portion fully tax-deductible) and 70% to the Association (not tax-deductible). The monies received

Gabby pressed her nose against the cool glass of her bedroom window and marveled at the sight of an early December morning snowfall. Having lived in a homeless shelter in southern California before arriving at Mooseheart, this was her first experience of "winter"— and a place to finally call home.

Learning of his parents' divorce sent Shawn into a tailspin. Having been adopted two years before, he was just settling into his new family. Was he the reason behind the divorce? Anger and despair ruled his life and now no one was prepared to care for him. But for three years now Mooseheart has been able to provide Shawn with a stable family life. And although life is not easy, Shawn has hope for a bright future.

Still struggling with the death of her father, Crystal had to step up and care for her two younger brothers as Mom took on a second job to keep the bills paid, barely. School wasn't a priority and neither were friends for this 12 year old. But now, with the help of the Moose, Crystal can concentrate on school and have fun with her friends and brothers at Mooseheart.

PLEASE DETACH

Thank You!

We wish you & your family the happiest of holidays!
